## my question is...

Hi everybody!

My question is...

Why there aren't messages in Emma's space?

Emma was the first Jane's book I read, and I found it marvellous!

I really love this book.

In some ways I think I like it because I am quite similar to Emma... But I also like it because it is a charming love story...

Emma marries her oldest, sweetest and best friend, and they will be friends all over their lives... So romantic...! :blush:

Emma was also the first Jane Austen book that I read too. And I really enjoyed it, but it's been so long since the last time that I read it, that I feel the time has come to read it again.

Mr. Knightly is one of my favorite heroes, he's up there with Mr. Darcy and Mr. Bingley. The whole time, he loves her and he waits, it's so romantic.

I loved Emma! It was so witty and was so well-written (can you expect any less from Jane Austen?). :)

My friend read Emma and Mansfield Park, but she won't read any other Jane Austen books right now. She is very busy. But, I think she should try the others. She said she loved them both. I like Emma, too.
